Overdue Notices

Lists of overdue books, and fines owing, are available to students via tutor group EVERY DAY. It is the responsibility of the student to make themselves familiar with these notices and to check them each day.

Outstanding items can be seen on the daily overdue notice under the column 'Title'. The 'Blick' columns shows whether an item is lost, overdue and any outstanding fines.

Accounts will be sent home to parents/guardians for books that are lost or not returned to the Library. Accounts will also be sent to recover fines that have not been paid at the end of the term.

Suspension of borrowing rights

This will occur when a student exceeds \$3.00 in fines or fees against their name. Alternatively if students have had items overdue for an excessive period of time they will also have their borrowing rights suspended.

Clearance of outstanding amounts, or the return of listed material is essential if the student wishes to continue to borrow material.

Persistent refusal to clear a borrowing record will see a student barred from using the library's resources - this includes Library use with a class.

Please Note: All overnight and reserve items MUST BE RETURNED before Period 1 of the next day. English class sets, Speech and Drama and some other department texts housed in the special collections DO NOT ATTRACT FINES if they are not returned by the due date. However, students are not able to borrow further material from these collections until all overdue material has been returned.
