

ClickView for Students

ClickView for students

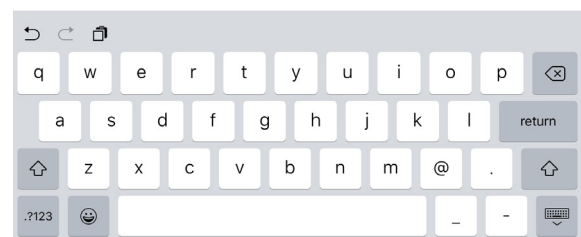

As a student you will have the ability to watch recorded off-air programmes in ClickView.

You can access ClickView two ways:

- **Download the APP** from the App Store or Google play, simple search for ClickView and follow the download prompts.
- **Access it via a browser**, ClickView Online: <http://online.clickview.com.au/SignIn>

ClickView
Please sign in using your credentials

Once you have downloaded the app or accessed it with a browser you will need to use your email and username to log on. (These are provided by the IT department).

You may be asked by your teacher to watch a programme for homework or for catch-up. Your teacher may give you a direct link to the programme through SchoolBox, where you can simply click on this link and play the programme.

Alternatively, all ClickView programmes are searchable on our catalogue; a simple keyword search will allow you to find any programme that the library has recorded off-air. (Refer to ClickView Fact sheet 9)
